

Verde Menta Latin Band

is an ensemble of three vastly experienced and skilled musicians known for transforming familiar songs into refined, emotionally resonant experiences. Verde Menta captivates audiences in both intimate and larger settings.

Their signature style invites guests to gently sway, drawing them into a mood of relaxation with a spark that eventually leads to dancing to beautiful, rich Latin rhythms.

Text: 512-988-0806

Inputs:

4x vocal mics (included - *we bring our personal dynamic vocal mics*)

3x SM57 (congas)

1 kick drum mic or similar for cajón (i.e. "egg" or any other with similar frequency response)

Outputs:

2x monitor wedges

PA L+R

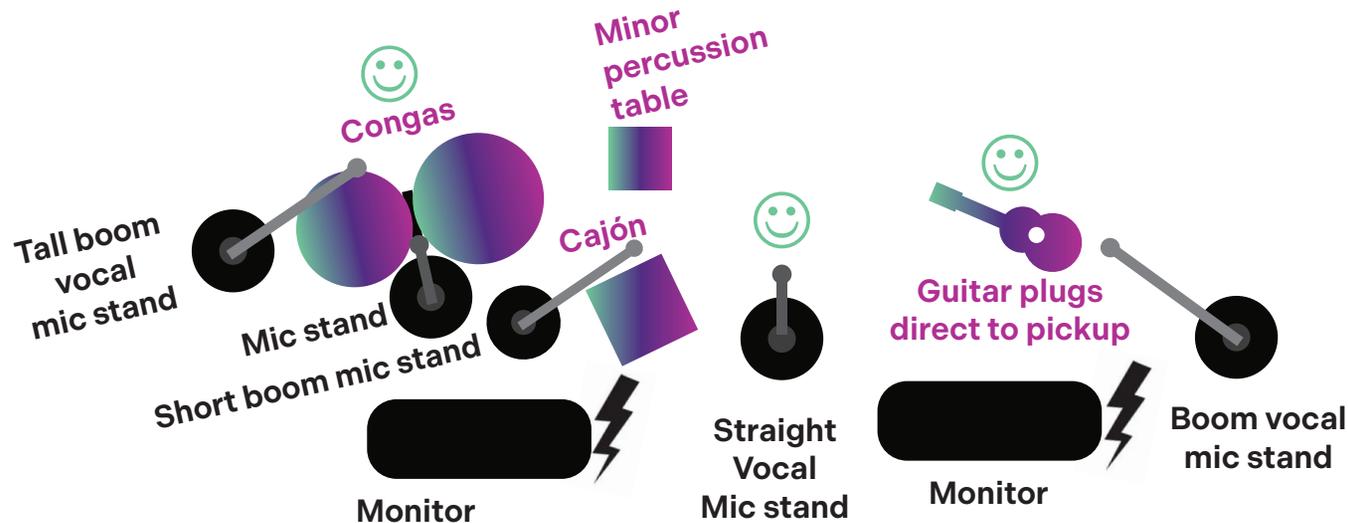

Other/Inserts:

Reverb 2-channel (main L-R)

(Because we don't have a bass, we leverage reverb over the full mix main L+R channels, or on each individual line channel to "fill in" that space)

Reference band photo
(except here the guitarrist had a headset for vocals and only one floor monitor due to using L1 towers that go behind the band)
